UNIVERSITY OF MIAMI - MILLER SCHOOL OF MEDICINE

CONNECT 2 PROTECT®

HIV Testing Study for Adolescent and Young Adult Latinos/Latinas

Who?

Are you Latino/Latina adolescent or young adult male/female between the ages of 13-24?

Are you HIV+ or willing to learn your HIV status?

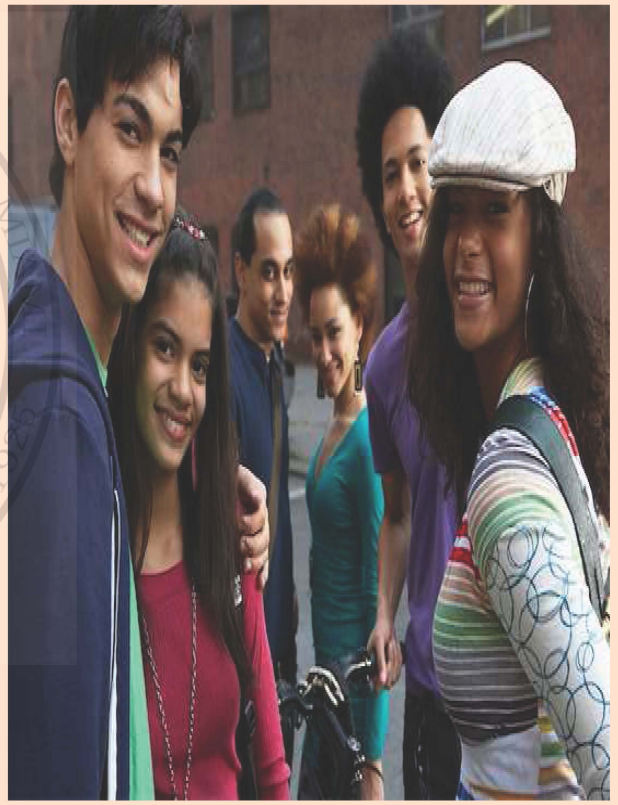
What?

Are you willing to recruit your friends to a study about HIV Testing?

$$ You will be paid for participating and recruiting your friends

How?

Call us at 305-243-2175 or email us at njeffrey@med.miami.edu



All HIV results are shared confidentially with you.
Your friends or family will not be told your HIV status.
If you are HIV+, you will be provided with information regarding medical care
