THE MIAMI-DADE HIV/AIDS PARTNERSHIP

The Partnership is the official County planning board for HIV/AIDS. Through committee meetings, community forums, educational trainings, surveys and a comprehensive quality management program, the Partnership obtains input on community needs, sets priorities and allocates **Ryan White Part A** and **Minority AIDS Initiative** (MAI) funds in Miami-Dade County.

In 2010, more than **\$24 million** were allocated to Miami-Dade County in Part A and MAI funds which provided services to more than **9,600 residents living with HIV/AIDS**.

ACCOMPLISHMENTS

IN 2010, THE PARTNERSHIP

- Completed an annual needs assessment, including review of epidemiological, utilization and cost data, and analysis of unmet needs of PLWHA in the County.
- Made recommendations for prioritizing services and allocating more than **\$24 million** in Ryan White Program funds for HIV/AIDS services.
- Worked with the Miami-Dade County Office of Grants Coordination throughout the year to assure allocated funds were spent in accordance with Federal policy and distributed to the areas of greatest need.
- Drafted a community response in protest to the Florida AIDS Drug Assistance Program (ADAP) implementation of a statewide waitlist.
- Worked with the City of Miami Housing Opportunities for People With AIDS (HOPWA) Program to promote Long Term Rental Assistance and Project-Based housing opportunities, explore other housing options and increase community collaboration.
- Coordinated efforts with the Florida Department of Corrections to ensure HIV-positive persons released from jails and prisons are connected to care.
- Monitored and guided the *Miami-Dade 2009-2011 Comprehensive Plan for HIV/AIDS* objectives.
- Ensured representation at a variety of state and local events, including local World AIDS Day, National Black HIV/AIDS Awareness Day and National Latino HIV/AIDS Awareness Day events, and the 2010 Ryan White Program Grantee Meeting in Washington, DC and 2010 U.S. Conference on AIDS in Orlando, FL.
- Continued active membership in the Florida Comprehensive Planning Network Patient Care Planning Group.
- Collaborated efforts with Faith-Based Community Leaders
- *In 2009*, made recommendations to the MDC Commissioners that were incorporated into Resolution No. R-303-09, urging the Obama Administration to establish a National HIV/AIDS Strategy.

An estimated 2,964 people in Miami-Dade County are HIV positive and unaware of their status

Miami-Dade County has the highest HIV/AIDS infection rate in the state of Florida
