ROAD TO AIDS 2012 is a nationwide tour that will engage communities on the National HIV/AIDS Strategy and ensure community voices are heard in the development of a domestic platform for the XIX International AIDS Conference (AIDS 2012).

The Urban Coalition for HIV/AIDS Prevention Services and Community Education Group are working with the International AIDS Society, convener of AIDS 2012, to increase participation of local communities in the 15 U.S. cities most adversely impacted by HIV.
