Eligibility Guidelines

Income limit is not disclosed. Patients or case managers must call the program and pre-screen patients for eligibility. Patients cannot have any current prescription benefits. Based on the information provided by phone, an application will be faxed to the patient or case manager. Application is not available on-line. Completed applications can be faxed or mailed. The medication will arrive within one week at the doctor's office or patient's home.

Applications must include the following:

1. Enrollment Form
2. Original prescription
3. Tax return (if patient does not file a tax return, representative will fax a **4506T form**)

If a rush is needed, medication can be shipped overnight.
