Eligibility Guidelines

Note: As of 07/12/2010 Glucotrol 10mg is not available through the program only the 5mg is currently available. Please call the program for further updates.

The patient must have no prescription coverage for any medications and have an income at or below 200% of the Federal Poverty Level, adjusted for family size. If a patient has insurance, including Medicare Part D, meets the income guidelines and has a prescription to a medication on this program and cannot afford the co-pay due to extreme medical or financial hardship, s/he may qualify to get assistance and should call the program. A 90 day supply of medication will be sent to physician's office. Allow 4 weeks for processing and delivery of medication.

The following are acceptable proofs of income and must be attached to the application:

- a. Current Pay check stub
- b. Tax return (1040, 1040EZ or W2 form)
- c. Social Security pension
- d. SSI/SSDI
- e. If client does not have proof of income, a zero income letter from physician or the 4506T form

Completed Enrollment form and proof of income must be mailed to:
