Eligibility Guidelines

Patients must have no insurance coverage for the prescription and an FPL that does not exceed 300%. The medication will be mailed to the doctor's office. Once the completed enrollment form and documents are received the patient should have medications within 1 week. (**Note – some medications may be sent directly to the patient**).

Applications must include the following:

1. Enrollment Form (2 pages)
2. Specific medication being requested
3. Patient signatures as well as Prescriber
4. **Documentation of Income (1 of the following):**
 - a. Tax return
 - b. Social Security Income
 - c. If client does not have pay stubs, a letter from employer on letterhead
 - d. If client has zero income (use the HOH letter as template) on letterhead

Fax completed Enrollment form and documents to Access Virology Patient Assistance Program (888) 281-8985

If a rush is needed, it will not be available.
