

# Educational Training

## Numbers that Count: Understanding Your Labs

Presented by Donna Sabatino,  
Community Liaison, Tibotec Therapeutics

This free educational training not only covers CD4, Viral Load and resistance tests, but also reviews several other labs that are extremely important to HIV health such as Liver Panels, Cholesterol, Triglycerides and blood pressure.

**July 27, 2009**

**5:00 p.m. to 6:00 p.m.**

**Behavioral Science Research  
2121 Ponce de Leon Blvd., Suite 230  
Coral Gables, FL 33134**
